

What is TLS Veterans Outdoors?

TLS Veterans Outdoors, Est. 2018, will support the mission of transforming lives by hosting fun and adventurous outdoor activities to military veterans, active duty and their families.

Camaraderie, bonding, networking and brotherhood are the key principles of this military family program.

New Horizons is a transitional living program where homeless veterans can live while getting their lives back on track.

Transportation to work and appointments, budget counseling, substance-abuse intervention, independent living skills development, and VA benefits support are all services provided to help veterans transition back into the community.
